

17 Explorers, Four Leaders Leave On Canadian Canoe Trip

Seventeen Explorer Scouts and four adults left here Monday morning about 8 a. m. to take part in the Region 10 Canoe Trip at the Charles L. Sommers Wilderness Canoe Base.

The group will get to the base located in the Arrowhead country of Minnesota, 22 miles northeast of Ely and three miles, by water, from the U. S. boundary.

The base, run by the National Council of Boy Scouts of America is on Moose Lake where the road ends and the wilderness begins.

The boys, travelling in four private cars, plan to camp out three nights enroute. The

first night was spent in Wellington, Kansas, where arrangements were made for use of a swimming pool and to spend the night in a church there.

The group includes Mike Murphree, Randy Smith, Sammy Ferguson, Charlie Shira, Davis Weaver, Leldon Clifton, Gary Smith, Don Colley, Chris Perrin, Steve Smith, Gary Maberry, Gene Stovall.

Also Jim Kemp and Randy Wiseman, both of Haskell and Jack Evans of Albany.

Adult leader are Floyd Smith and Milburn Wink of Hamlin, Waller Overton and Mike Overton, both of Paint Creek.

At the canoe base the group will be furnished with canoes, tents, all packs, cooking gear, life jackets, and "light-pack" food. The food to be carried on the trail is dehydrated and concentrated to reduce weight. The base furnishes everything needed for the operation of a successful high adventure canoe trip of ten days.

Each crew is accompanied by a guide.

The fishing in the wilderness area is a sportsman's paradise. The lakes are full of Northern pike, bass and lake trout. Canadian fishing licenses are included in the fee that each Employer pays.

The group will return home Aug. 9.

Cheer Leaders Attending Texas Tech School

The Pep Squad cheerleaders for 1966-67 at Hamlin High School are attending cheerleading school at Texas Tech this week.

The girls left Sunday and will return Friday.

Attending are Cheryl Walton, daughter of Mr. and Mrs. Gene Walton; Kathy and Helen Moore, daughters of Mr. and Mrs. William Moore; Geneva Ward, daughter of Mr. and Mrs. Lee Ward, and June Hill, daughter of Mr. and Mrs. John C. Hill.

All girls interested in being in Pep Squad this year are invited to meet with the majorettes and cheerleaders at 4 p. m. Tuesday, Aug. 9, in front of the high school.

Area Farm and Ranch News

By Don Elmore

The officers and directors of the Hamlin Riding Club met Monday evening at Georgia and Utah's Cafe to discuss the water situation at the arena. It was decided that the club would buy a big meter so the grounds could be watered to insure good footing for the horses as well as hold down the dust.

Attendance at play nights has been short on contestants and spectators, and we think the arena condition has had a lot to do with this.

We encourage everyone to come on out Saturday night and win yourself a trophy.

On July 31 at 2 p. m. there will be a Jack Pot roping in Jayton. A four calf average for the open ropers and also a two calf two head roping for the ropers 50 years and over, \$17.00 Billy Morrow is the wheel, phone CE 7-2267.

Everyone check and see if you can order a rain.

Dates Set for Summer Band

Tim Jones, band director, has announced dates for the two week summer band school for high school students. The first week will begin Aug. 8 and the second week will begin Aug. 22.

Also anyone who has a band instrument that they wish to sell should contact him at the band hall, SP 4-1472, or at SP 4-1300.

Federal Crop Insurance Offering Increased Production Guarantees

Increased production guarantees and a new premium discount feature will highlight the Federal Crop Insurance Corporation's Wheat Insurance program in Jones County for 1967.

Charles T. Rust, local representative for FCIC, says guaranteed wheat coverages have been increased 22 per cent in the county as a result of a program adjustment based on normal production increases during the past 10 years.

In addition, Rust says, a new premium discount feature is being introduced this year. Policyholders who do

not experience a loss for one year will be granted a five percent discount for the second year. Previously, policyholders had to have three consecutive years without a loss to qualify for a premium discount.

Applications for insurance on the 1967 wheat crop are now open in the county. Farmers interested in complete details about the lowest cost program may contact Charles T. Rust at VA 4-2039 in Anson for full details at no obligation or may write the FCIC District Office, Third Floor, County Courthouse, Vernon.

O. L. RICH
... marks 25th year

Shell Pipe Line Honors O. L. Rich For 25 Years

O. L. Rich, Field Gauger for Shell Pipe Line Corporation's West Texas Division, will complete 25 years of service July 25.

In 1941 Rich began his career with Shell Pipe Line as a Laborer in McCamey, Texas. In 1944 he became an Oiler in the Wasson Field, one year later transferring to Garden City, Texas as a Station Engineer. He was appointed Tank Farm Gauger in 1953 at McCamey. Rich was named Field Gauger in 1958 in Goldsmith, Texas, moving to Hamlin, Texas in 1963.

Calvary Baptist To Hold Revival

The Calvary Baptist Church revival will open Sunday with Rev. Carl Rea of Wichita Falls as the evangelist.

Services will be held at 9:30 a. m. and 8 p. m. daily through Aug. 7, according to the pastor, Rev. Carrell Watkins.

... 25 years of service

C. J. Sewell Honored for 25 Years Service

C. J. Sewell, Pipeliner-Welder 1st Cl. for Shell Pipe Line Corporation's West Texas Division, recently observed 25 years of service.

Sewell began his career with Shell Pipe Line in 1941 as a Laborer in Forsan, Texas. He was appointed Pipeliner-Welder in 1947 in Colorado City, Texas, transferring to Hamlin, Texas in the same capacity in 1953.

Mr. and Mrs. Sewell reside at 230 S. W. Avenue D, Hamlin.

Glenda Hudspeth On World Tour

Glenda Hudspeth, daughter of Mr. and Mrs. Joe Hudspeth, is with a group of about 30 students and adults on a "round-the-world" tour being headed by Dr. Elwin L. Skiles, president of Hardin-Simmons University.

The delegation of high school and college students and several adults left Abilene June 20 and the tour will end Aug. 3.

Some of the places visited include Jerusalem, Haifa, Tel Aviv, Cairo, Egypt, and India.

Dr. Skiles left the tour to return to H-SU on July 24. Mrs. Skiles and daughter, Sarah, joined the party and were to continue through Western Europe as tour guide.

Attend Graduation

Mr. and Mrs. Edgar Duncan and Mrs. Albert Haught went to Ft. Worth Friday morning to attend graduation exercises at Southwestern Baptist Theological Seminary. R. A. Guthrie Jr., a former Hamlin resident and employee of Piggly Wiggly, received a bachelor of divinity degree. He and his family are moving to Flagstaff, Ariz., where he will assume the pastorate of a church.

BIRTHS

Mr. and Mrs. Freddie Lee Rashberry of Roby are parents of a girl, Rachel Lynn, born July 20 at 5:29 p.m. weighing 7 lbs. 6 oz.

Mr. and Mrs. Morris Reyes of Aspermont are parents of a girl, Rosantina, born July 21 at 4:20 p.m. She weighed 6 lbs. 11 oz.

Mr. and Mrs. John Elmer Roddy, Rt. 1, Hamlin, are parents of a son, John Robert, born July 23 at 11:18 a. m. He weighed 9 lbs.

Misses Eunice Johnson and Mae Bess Johnson from Carrollton, Ga., visited with their cousin, W. L. Fletcher Sr. Other visitors included Mr. Fletcher's daughters, Mrs. Neal Chastain of Spur and Mrs. Hermon Barnett of Littlefield.

Group Names Bill Rountree Man of Month

Bill Rountree, water superintendent for the City of Hamlin was elected the man of the month for the Lone Star water and sewer association at Roby July 20. He was recognized for his long service to the City of Hamlin and for his cooperative spirit with the association and other cities in this area. He has worked closely with the state health department and the Texas State Water and Sewer Association.

He is presently serving his third term as president of the association.

His recommendation has been sent to the State association and a State man of the month will be chosen from the applicants.

County Agent Gives Advice On Quality Hay Crop

Quality pays, not quantity alone in saving hay, explains County Agent Kirby Clayton. By leaving hay crops in the field until they are near maturity, you get more hay but it will not be worth as much as a lesser amount of higher quality, he adds.

He advises cutting Coastal Bermuda every 24 to 28 days to get the best quality hay. After 30 days, Coastal generally loses one percent of its protein every day. After cutting, additional fertilizer should be applied in accordance with a soil test, to Coastal for good regrowth.

Johnsongrass for hay should be cut when the first seed heads appear. If left until all seeded out, hay is of poor quality. If fertilizer is applied after cutting, another harvest can be made in late summer.

Sudan, millet and sudan-sorghum crosses make good hay if cut early and run through a hay conditioner, says the county agent.

After cutting regular grass hay meadows, apply additional fertilizer and get a later harvest, he suggests.

Under-grazed pastures can be cut and baled for hay or stacked in the field. Here, too, additional fertilizer should result in more growth for grazing or hay, Clayton says.

Piggly Wiggly Winners Named

Winners in the recent 20th anniversary celebration at Piggly Wiggly have been announced by Edgar Duncan as follows: cup ensemble, Brad Hobbs; Borden truck Bert Moran and Mike Davis; Elsie Doll, Melinda Dawkins; boy's bicycle, Britt McCracken; telescope, Jeffrey Witt; girls transistor, Carol Shearer and Roberta Douglas, hair dryer, Cynthia Beck; boys transistor, Britt Thompson and Alcario Mendoza.

Portable T. V., Lenis Smith; 40-piece set of dishes, L. J. Cunningham; stainless steel flatware, Orito Gonzalez; barbecue grill, Mrs. Bob Tegart, C. B. Owen and Cleo Crawford; rod and reel, Mrs. J. E. Hix; scales, Mrs. Alvis Bond; Toaster, Mrs. Lewis Yates; and La Vern Wall; kitchen set, D. H. Giles, whistling tea kettle, Mrs. Elmer Keith; dutch oven, Charles Reed; 5-quart sauce pan, Mrs. J. E. Beard; 2-quart sauce pan, Mrs. Jack Collins; 1-quart sauce pan, Mrs. Frank Lafler; 11-inch fryer, George Phea; double boiler, Freddie Boen; mixing bowl set, Rosie Currie.

There were 48 winners of sacks of groceries and 12 winners in the S & H Wishing Well.

Mr. and Mrs. Loyd Burkhardt have returned after attending the Lions Club International Convention in New York, N.Y. July 6-9 with 30,000 Lions from 135 countries.

They also toured New York City, Washington, D. C., Arlington, Va., Williamsburg, Va., Gatlinburg, Tenn., and Nashville, Tenn.

Assessment Type Paving Program Being Planned

A resolution was passed July 21 by the City Council ordering certain streets in Hamlin to be paved with a portion of the cost being assessed against the owners and their property, respectively.

A legal notice published this week gives notice of intention of the City to make improvements and assess the owner and the property which shall constitute a lien upon

the land for the amount of the assessment.

A public hearing to be set at a later date, will have to be held before the assessment becomes final.

The property which abuts the following streets will be assessed:

Northwest Ave. D between N. W. 3rd and N. W. 5th.

Northwest Ave. E between W. Lake Drive and N. W. 5th St.

Northwest 3rd St. between N. W. Ave D and N. W. Ave. F.

Northwest 5th St. between N. W. Ave. D and N. W. Ave. E.

Southwest Ave. F between S. W. 1st and S. W. 4th St.

After bids are taken and a contract let residents who wish to pave their street may contact the City Hall for prices and procedure. New paving would have to connect with existing paving.

Survey Team Finding Weevil Damage Here

This week the Rolling Plains Insect Survey Team reported boll weevil damage in all of the 28 fields being checked in Jones County, according to a report this week by Jones county agent, Kirby Clayton. Although most of the damage is caused by overwintered weevils, first generation weevils are probably appearing in some fields. Counts are now based on punctured squares and five fields had enough damage to warrant poisoning. However, Clayton reported that the hot weather was killing some of the young grubs before emergence to the adult stages.

Other insects appearing in the Jones County cotton were lygus bugs, stinkbugs and rapid plant bugs. However these insects were not a serious threat this week.

Continued hot weather is expected to limit insect activity to a certain extent especially the bollweevil.

Homemaking Teachers to Attend Dallas Conference

Mrs. James Simmons and Mrs. Steve Smith, homemaking teachers, will participate in the State In-service Education Conference for teachers to be held Aug. 1-5 at the Statler-Hilton in Dallas.

Theme for the meeting will be "Quality Programs in Home Economics Education." Approximately 2,000 homemaking teachers are expected to attend the meetings.

Brother Dies At Aspermont

Services were held Tuesday at 10 a.m. in Aspermont Church of Christ for Jim Harmon Burfield, 76, brother of Mrs. Tom Campbell of Hamlin.

Mr. Burfield died at 7:30 a. m. Sunday in Stonewall Memorial Hospital. Burial was in Aspermont Cemetery.

Survivors include his wife, one son, one daughter, three brothers, three sisters, four grandchildren and five great-grandchildren.

A nephew, George Campbell, lives in Hamlin.

Attend Open House

Approximately 100 persons registered during open house at Bishop's Flowers Saturday in the new location at 242 S. Central.

Elsie Withers received the gift, a set of kitchen wall plaques.

Makes First Ace

Tim Jones made his first hole-in-one at Abilene Sunday afternoon at the Lazy Tee, a par-three course.

Using a five iron he hit the cup on hole five, a distance of 133 yards.

Mrs. Don Smith and children, Don, Jeff, Lisa and Gordon of Morton returned to their home in Morton Sunday after a two week visit with her mother, Mrs. Jackie Fletcher. Her husband, a captain in the Air Force is stationed in Viet Nam.

A3e Dewane Bundas is now stationed at Brentwater Air Force Base in England. A weapons and munitions specialist, he will be there for three years. He visited with his parents, Mr. and Mrs. Andy Bundas, before going to England.

HD Club Women Make Plans for County Fair

Plans for the Jones County Fair concession booth were completed at the Home Demonstration Council meeting held in the office of Mrs. B. V. Newberry July 20.

Hamburgers, hot dogs, homemade pies, coffee and cold drinks, will be served. The clubs will take turns in operating the concession.

Each club will also have a booth for exhibits.

Mrs. H. A. Haynes was elected F. H. D. A. chairman.

Delegates to the state convention in Corpus Christi Sept. 20, are Mrs. Haynes, Mrs. Cal McAnich, Mrs. Clyde Chancey, Mrs. Elmer Joiner, Mrs. Herndon and Mrs. Hudson are alternates.

Mrs. P. R. Wilemon Honored on 100th Birthday

Mr. and Mrs. Felton West attended the 100th birthday anniversary celebration for her grandmother, Mrs. P. R. Wilemon, at Nelson Rest Home in Ciebume.

Thirty relatives attended the birthday party. A nurse at the rest home baked the cake which was topped with 100 candles.

Mrs. Wilemon a former Hamlin resident, had 10 children, six of whom are still living. Other descendants include 22 grandchildren, 52 great grandchildren, and 46 great-great-grandchildren.

One son and four daughters attended. They were Walter Wilemon of Anson, Mrs. T. E. Lail of Glen Rose, Mrs. G. L. Gatewood of Cleburne, Mrs. T. E. Bessie and Mrs. Bill Tripp, both of Ft. Worth.

The other daughter, Mrs. Hugh Mason of San Angelo, was unable to attend.

Visiting in the home of Mrs. W. R. Redus were her two sisters, Mrs. J. S. (Jewel Dean) Long of San Francisco, Calif. and Mrs. Lola Miller of San Angelo.

Medicare Enrollment to Be Continuing Process, Says Tuley

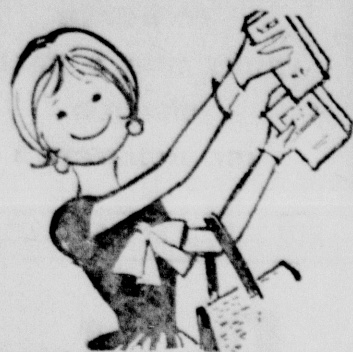

"Medicare enrollment will be a continuing process from now on," said R. R. Tuley, Jr., social security district manager for the Abilene area. The general enrollment period that ended May 31 was an all-out effort to enroll those persons who were already age 65 or older.

Persons not yet 65 will have 7 months in which to enroll for doctor bill insurance, Tuley continued. The individual's enrollment period for that part of Medicare will run from the third month before his 65th birthday month to the third month after it. Thus a person who will be 65 in October, 1966, may enroll from July 1, 1966, through January 31, 1967.

"There is no special enrollment period for the hospital insurance part," he went on, adding that a person past 65 could sign up for that even

after he becomes an inpatient at a participating hospital. There are no premium payments involved for the hospital insurance half of Medicare.

Whether or not a person has retired or has ever worked under social security has no effect on Medicare coverage, but failure to enroll in the 3 month period before age 65 will result in a delay of from one to three months in acquiring the medical or doctor bill part of Medicare coverage. A higher premium cost will apply for those who do not enroll at their first opportunity but decide to come in during a later October-December period in 1967, 1969, or other odd-numbered years. Persons nearing age 65 are urged to ask their social security office for the free booklet on Medicare, Tuley added.

Hawkins Circle Meets In Cotten Home Tuesday

The Hawkins Circle, W. S. C. S., First Methodist Church, met Tuesday morning in the home of Mrs. W. B. Cotten with nine members present. Forty-six visits to the sick and shut-ins were reported.

Mrs. E. J. Hawkins, circle chairman, gave the opening prayer.

A workshop to be held at the church on Aug. 11 was announced.

Volunteers to assist the new pastor, Rev. Cecil Hardaway, in visiting and those who can sit with residents at the rest home were asked to contact Mrs. L. H. McBride or Mrs. W. T. Johnson. The program, "Not What We Do, But What We Are," was presented by Mrs. Tom Teague, who also gave the closing prayer. The next meeting will be held in the home of Mrs. Joe Culbertson Aug. 30.

Lois Glass Circle Presents WMS Program Tuesday

The circles of the Woman's Missionary Society of First Baptist Church met together in the chapel Tuesday morning.

The Lois Glass Circle presented the program with Mrs. Dale Lain, circle chairman, presiding.

Mrs. Bill Keck read the prayer calendar and led the opening prayer.

Mrs. Joe Ford brought the Bible study, "From Josiah's Reign to Judah's Fall."

The closing prayer was by Mrs. Edgar Duncan.

Betty Spalding, Billy Weaver Married Friday

Betty Spalding, daughter of Mr. and Mrs. Robert Glen Spalding, and Billy Weaver, son of Mr. and Mrs. Mart Weaver of Old Glory, were married Friday evening in the home of the bridegroom's brother, Melton Weaver.

Rev. C. G. Barrow, pastor of Sunset Baptist Church, read the marriage vows.

After a wedding trip the couple will live at 211 N. W. Ave. E.

The bride is a graduate of Hamlin High School. The bridegroom was graduated from Aspermont High School and attended San Angelo College. He is employed by Ham-Tex Construction here.

Coke Party Honors Mona Anderson Of Sheffield, Pa.

Mona Anderson, house guest of her aunt and uncle, Dr. and Mrs. E. D. Perrin, was honored with a Coke party Tuesday afternoon in the home of Beth Craig.

Guests included the honoree, her cousin, Pat Perrin, Patti Murphree, Marilyn Fudge, Jane Hymer, Sharee Nail and Patty Cowan.

Miss Anderson left Wednesday with her parents, Mr. and Mrs. Bob Anderson, to return to their home in Sheffield, Pa.

KATHRYN COUNCILMAN ... sets Sept. 9 wedding

Councilman-Campbell Vows To Be Read Sept. 9

Rev. and Mrs. Clarence E. Councilman of Sweetwater are announcing the approaching marriage of their daughter, Kathryn Ann, to Joseph Auld Campbell of Hamlin, son of Rev. and Mrs. James A. Campbell.

The Councilmans are former residents of Hamlin when he was pastor of United Pentecostal Church. Rev. Campbell is the present pastor. The wedding will be Friday, Sept. 9, at 7:30 p. m. in the United Pentecostal Church here.

The bride-elect attended schools in Sweetwater, Snyder, and Roscoe and graduated from Hamlin High School in 1965.

The prospective bridegroom attended schools in Ontario, Calif., and finished high school in Hamlin at mid-term this year. He is seeking employment in Brownfield where the couple plan to reside following their marriage.

He is preparing for full time ministry.

Wrights Honored With Ice Cream Supper Here

Mr. and Mrs. E. L. Jenkins Sr. hosted an ice cream supper for their daughter and family, Mr. and Mrs. Donald Wright, Ricky, Dayve and Larry Don, who are moving from Sagerton to Longview.

Other children attending were Mr. and Mrs. E. L. Jenkins Jr., Gary and Linda of Stamford, Mr. and Mrs. Dwaine Stephens, Cynthia and Hollis of Neinda and Mr. and Mrs. Herman Sharer of Hamlin.

Thelma Cohorn, Clyde Hubbard Exchange Vows

Thelma Cohorn and Clyde Hubbard exchanged wedding vows Tuesday evening at 7 p. m. at First Baptist Church. Rev. Byron Bryant officiated.

The bride is the daughter of the late Mr. and Mrs. C. C. Cohorn and the bridegroom is the son of Mr. and Mrs. Clyde Hubbard.

After a wedding trip the couple will live at 828 S. E. Ave. A.

SYLVESTER NEWS...

By Mrs. R. M. Babb
Visiting in the home of Mrs. Raymond Kiser are two of her sisters, Mrs. Dean Waggoner and children, Mrs. Bernice Adcock and children of Cuero, Texas.

Mrs. C. R. Davis is visiting with her sister, Mrs. Alfred Douglas while she is waiting for her husband to retire from the Air Force. As soon as he is out of the service they plan to settle some where

near Austin.
Our sympathy to Mrs. Lillie Jones in the loss of her son, Clarence (Jack) Williams last week.

Our sympathy also goes out to the families of Finley and Pauline Rogers, it was a shock to every one, but we must realize there is a reason for every thing.

The other young man that was involved in the accident was a second cousin of Mrs.

W. B. Brown of our town.

Mr. and Mrs. Kenneth Mauldin and children of Breckenridge visited the Guy Mauldin's over the weekend and, oh yes, he had the horse with him, just bet he was going to do some roping?

Rev. W. E. Woodson and son of Mt. Ida, Ark. stopped by the home of Mrs. W. B. Brown on his way to Lamesa for his nephew's funeral.

Mr. and Mrs. Curtis Stevenson of Anson spent Sunday afternoon in the homes of E. P. Harris and Alfred Douglas.

Terry and Kim Portwood their grandparents the M. D. Brown's The youngsters are

now living in Odessa and we still miss them around here.

Mrs. Ross Douglas and Mr. and Mrs. J. P. Maberry spent time at the bedside of their sister, Mrs. Levora McElyea, who had surgery this past week. They assured me she is doing fine.

Mrs. J. J. Self is home after spending several days with her daughter in Lubbock. She said she was very sick while she was gone but is feeling much better.

Mrs. Bessie McClung of Dallas and Mr. and Mrs. Jack McClung of San Angelo spent the week end in the Woodrow Lawlis home and in the homes

of other relatives.

The Jerry Prater family of Sweetwater spent Sunday afternoon in the home of the W. B. Brown's

Mrs. Tommy Wilson and daughter of Southland Tex. spent Friday with her mother, Mrs. Gladys Williams.

The Methodist people enjoyed a "Family Night" and a "Pounding" honoring their new pastor, and we wish to add our welcome to the Mizner family!

Mr. and Mrs. Faye Dozier's son and grandchildren visited over the weekend and attended church with them.

We have a big dark blue cloud in the west this Monday

and I just wonder if maybe we might get a good ain. We can use it.

Mr. and Mrs. Bo Newland, Vicki and Milbourne, and Mrs. Earl Brown spent last week with Mrs. Brown's sister and her husband, Mr. and Mrs. Gordon Green, at the Green's cottage at Rockport. On Friday afternoon the Newlands and Mrs. Brown toured the Astrodome in Houston and saw the game that evening.

Mr. and Mrs. G. M. Iracheta of Rotan are parents of a boy, Osbaldo, born July 12 at 9:29 p.m. He weighed 7 lbs. 6 oz.

RES. SP 4-1767 OFFICE: SP 4-2500
HAMLIN, TEXAS

The Church PLANTS and WATERS...

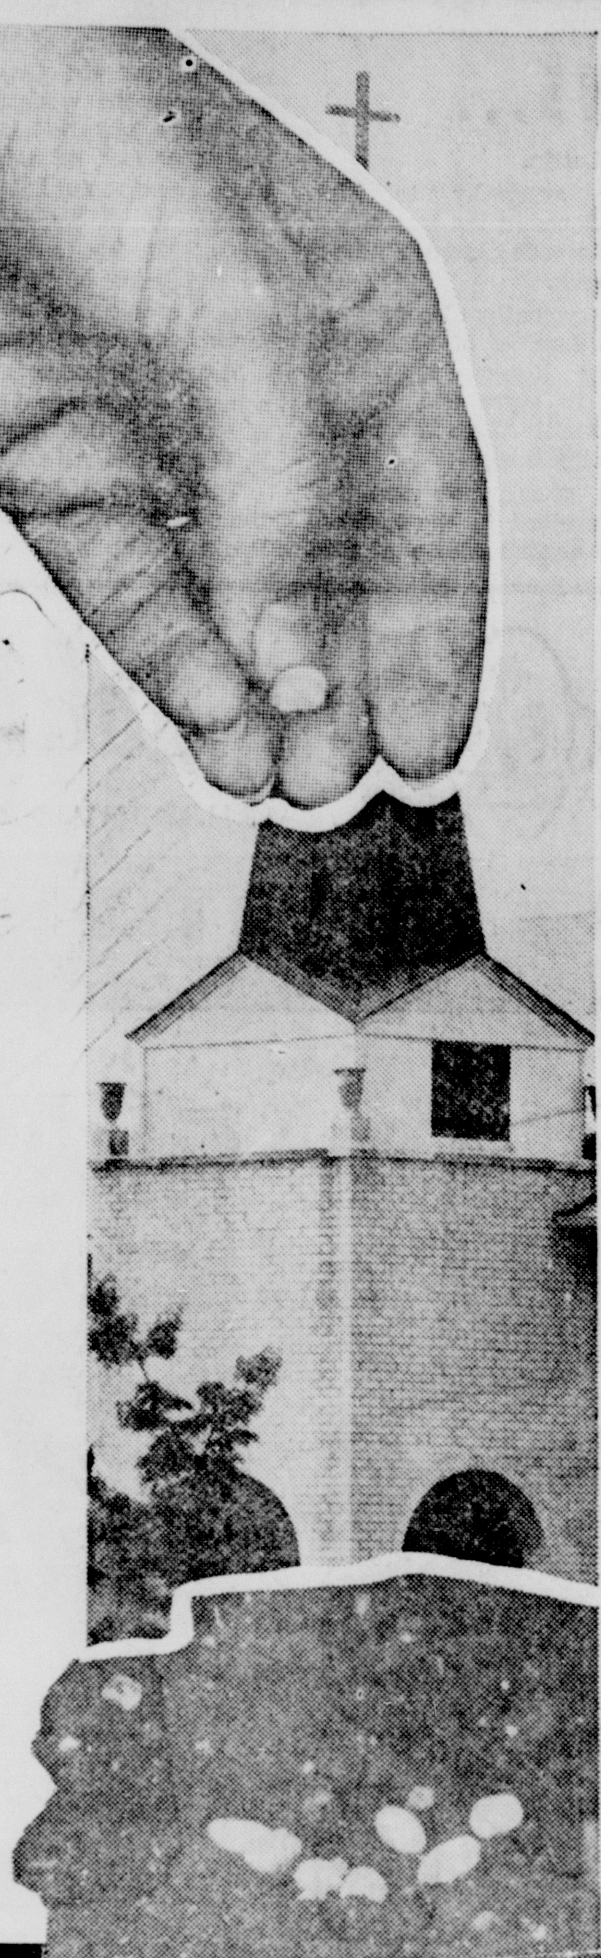

The church plants the seed of faith, waters and tills the soil. These are the things that a church can do, and no more... then God provides the love and life-giving essentials. The growth then depends on the type of soil... is it barren... mediocre... or fertile. Your life with God will grow according to your will and desire.

"Blessed is the man that walketh not in the counsel of the ungodly, nor standeth in the way of sinners, nor sitteth in the seat of the scornful. But his delight is in the law of the Lord; and in his law doth he meditate day and night. And he shall be like a tree planted by the rivers of water."

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Coleman Adv. Serv.

FAIRVIEW NEWS...

By Mrs. Elmer Joiner
News is hard to find this hot weather for about all anyone does is just what they have to. It is far too hot to go anywhere unless it is necessary, too hot to cook, too hot to work at anything, so about all we can say and be truthful is that it is too hot. A good rain would be worth many a dollar right now, but we are wondering if it is coming.

Attendance was real low in church Sunday, too many like myself had other things

OLD GLORY NEWS...

By Judy White
Visiting in the home of Mr. and Mrs. B. R. Johnson were Major and Mrs. Richard C. Anable and son, James. Major Anable has recently retired from the U. S. Air Force, he is a close friend of Major Glendon T. Johnson. The Anables have been visiting his parents in Washington. They plan to make their home in Austin.

Mr. and Mrs. Albert Kleppe were also visitors in the Johnson home last Sunday.

Mr. and Mrs. Garrett Spitzer spent several days in Canyon recently visiting their son and wife, Mr. and Mrs. Kenneth Spitzer.

Guests in the home of Mr. and Mrs. Jimmy Cox last Sunday were Rev. and Mrs. Jack Key and Stanley of Abilene.

Mrs. Travis Bell left last Friday for California where she will spend a few days vacationing and visiting relatives. She also plans to go to Nevada to visit her son and family, the Billy Bells.

Danny Lammert has enrolled in Texas Tech at Lubbock for the second six weeks of the summer session. Danny Gene Letz is also attending Texas Tech this summer, he too attended the first six weeks. Both young men are 1966 graduates of Old Glory High School.

Mr. and Mrs. Raymond Gerloff of Abilene visited his mother, Mrs. Katie Gerloff, here last Sunday afternoon. Other visitors in Mrs. Gerloff's home were Mr. and Mrs. Herbert Klump and Mrs. W. G. Wienke.

Guests in the home of Mrs. Bernice White and Judy last Sunday were Cindy Pitcock of Rule and Francell Boles.

Mr. and Mrs. Don Hertenberger, their son, Donnie and their two daughters, Phyllis and Marsha, all of Fort Worth and the four sons of Mr. and Mrs. Jack Simmons, Jackie, Jerry, Jeffrey and Joel, also of Fort Worth spent last week end with Don's parents, Mr. and Mrs. Beno Hertenberger. The Simmons boys remained for a longer visit with their grandparents.

Guests in the home of Mr. and Mrs. Lynn Flowers last Sunday were Mr. and Mrs. James Overton and Mr. and Mrs. J. V. Frizzell all of Stamford.

Mr. and Mrs. Morris James of Richardson visited the Sawyers family last week, and her sister Mrs. Willie Fletcher returned home with them for a visit.

to do, some that I did not hear from, so since I was away myself did not get much news.
We, the Elmer Joiners, went to Lubbock Sunday to visit with Mr. and Mrs. Henry Kee, and to attend a fortieth wedding reception for Mr. and Mrs. Jim Leslie, of Lubbock. Mr. and Mrs. Leslie were married in this area forty years ago. She was the former Audrey Irwin, and lived here for some years. They have been in Lubbock for a long time. Other visitors in the Kee home were, Mr. and Mrs. Delbert Martindale and three sons, of Beeville, who were enroute home from Oregon, where they visited with his folks. Sonny Joiner, San Antonio, also went to Lubbock for the weekend and to attend the wedding reception.

Mr. and Mrs. Flavil Holmes went to Abilene Sunday and spent the day with their daughter, Mr. and Mrs. Jack Wright and children. Mrs. Holmes had a birthday last week, so the brother, Mr. and Mrs. Jimmy Holmes and Melody, came over from Big Spring, as well as the grandmother, Mrs. Alma Holmes, Mr. Holmes mother, to help eat the birthday dinner.

Melinda Wright came home with Mammaw to spend the week, this week.

Thursday guests of the Elmer Joiners were Mr. and Mrs. Bill Joiner, Christine, Micheal, Robert, Brenda and Tommy, who are residents of Brawley, Calif. Bill is the son of Oliver Joiner, also of Brawley, who is brother of Elmer Joiner. They are in Texas visiting his mother, Mr. and Mrs. Leroy Vanderwort, who live near Old Glory.

Mr. and Mrs. Jim Henry and girls, of Midland, were Sunday guests of his parents, Mr. and Mrs. E. A. Henry.

Mr. and Mrs. Runt McCoy and Larry went last Thursday to Ruidosa, New Mexico, to have a cool vacation. They were joined Saturday by Mr. and Mrs. Corky Taylor, of Lubbock, all coming to Lubbock Sunday, then on home Monday.

Jeannie Young will represent the Friendship Home Demonstration Club, as candidate for Maid of Cotton Queen, at the queen contest to be held on the fair grounds, the last night of the Jones County Fair, Aug. 25.

Mrs. Woodrow Goodwin and Linda, and Mrs. Elmer Joiner, attended the gift tea in Stamford, Saturday afternoon, honoring Linda Lindsay, who will be married Aug. 20. Linda is the daughter of Mr. and Mrs. Doc Lindsay and granddaughter of Mrs. Lura Lovvorn, also of Stamford.

Be sure and not forget the big hat sale next week, Tuesday, Aug. 2 in the high school cafeteria, beginning at 8 a. m. and lasting until 6 p. m. It might even last longer if hats are being sold. Free coffee and doughnuts will be served to prospective customers, throughout the day. What better deal could you find than that, besides buying a four dollar hat good enough to wear anywhere. The Home Demonstration Clubs will appreciate every customer that comes, we just invite you to come look, you will be sure to find a hat to please you, for there will be enough on hand to pick from.

TWENTY FIVE YEARS AGO

Claude Lancaster of Livingston became the owner of the Western Auto Associate Store, buying the interest of Mr. G. C. Barnes.

Fifteen cars from Anson will arrive in Hamlin today to advertise their forth coming 6th Annual Jones County Pioneer Festival to held July 24 and 25.

R. M. Myers and Buck Wilemon have been entertaining their friends with an increasing array of tricks and the best part of it is, it's all free. What is it. Well, Myers and Wilemon have 11 calves, 2 goats, and some horses and brones, depending on the number of persons in the Amateur Club. What do they do? So far they are just practicing various stunts of roping, riding etc. each Sunday afternoon at 5 p. m.

FIFTY YEARS AGO

R. J. Roland seeks re-election for Tax assessor with W. G. Thomas, R. L. Barrett and W. H. Griffith as opposition. Dallas Cave lost 200 or 300 acres of fine grass to fire in his pasture near Plasterco.

J. J. Waggoner has installed in his drug store some of the latest and most beautiful fixtures.

John and Joe Hudson, J. V. Milsap and wife, S. W. Edmondson and daughter, Fed Britton and brother, W. W. Green and wife, Jess Beavers and L. P. Cozzens attended the Farmer's State Institute in Austin this week.

Area crops look generally good but are in need of rain. The people of the Flat Top community are building a first class tabernacle this week. The tabernacle will be built in the corner of the Swenson pasture at the end of the "wide lane."

Mr. and Mrs. Aaron House have recently moved to the Pitchfork Ranch near Guthrie where Mr. House has been employed for several months.

H-O-N 4220 Executive Swivel Chair with Arms. Has 2" foam rubber on saddle shaped seat. Padded arm rests. Welded and sealed. Plated scuff plates and other quality features.

SIGNS OF PROGRESS

By electrifying remote rural areas, MIDWEST ELECTRIC COOPERATIVE has made the country more comfortable for rural residents and more inviting for city folks.

Rural electricity attracts rural industry too, which means more jobs, increased property values and a stronger economy. MIDWEST ELECTRIC COOPERATIVE crews are planning ahead to provide the larger poles, heavier lines and bigger transformers needed to carry the increased demand for electricity... a demand that doubles every 8 years in rural areas. It is this dependable, low-cost electric service that is building a brighter tomorrow and Helping Texas Grow.

Philosopher Says His Farm Is No Place To Put One Of The Proposed New Cities — Neinda

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route 1 probably is unnecessarily carried in his letter this week.

Dear editor:

I had to make a trip to Abilene the other day and while I was waiting to see a man I looked around and discovered the place is perfect for picking up newspapers, they're blowing all over the place, and I brought an armload back home with me and after my nerves calmed down in a day or so from dodging traffic I got in some reading, even if some of them were three or four weeks old. Don't understand why city people would leave good news-

papers like that lying around un-touched for so long.

According to an article in one, a new plan is now being discussed to relieve the tremendous overcrowding in big cities. A national committee thinks it has the right idea: build 25 brand new cities around the country. Pick out a bare spot some place, put up a city, and let the overflow from present cities move in.

What worries me about this is the phrase "bare spot." That describes this Johnson grass farm exactly and the last thing I want is somebody building a city right on top of me.

I can see the planners going over my farm now and saying: Now here would be a good place for the City

Hall, over there we could locate the taller buildings, the better homes could be built further out where those trees are, back beyond the barn would be a good place for the slums, that north pasture would be an ideal place for riots. Look at that gently sloping hill, ever see a better place for traffic jams? That creek on the adjoining farm is hardly big enough to be worth polluting but we could give it a try, you got to make do with what you've got. The airport could be located four farms over, it'd be perfect, not far enough way to keep the jets from being heard as they roar in but still far enough away to take at least an hour to get into town. Along about where the well is located would be a good place for a school, it'd be hemmed in enough so we

could abandon it in a few years very satisfactorily and build a new one some place. Make a note to apply for urban renewal funds for that well in advance.

I tell you I tremble at the thought, I hope you'll tell the committee if it shows up in this area the soil out here on this farm is terrible, won't grow anything, no rock for a foundation, earth tremors, occur frequently, insects swarm all over everything, the climate is unbearable, and the place is not for sale.

Yours faithfully,
J. A.

Pvt. Charles Diers is here visiting his parents, Mr. and Mrs. E. H. Diers. Pvt. Diers has completed his basic training in the U. S. Army at Ft. Polk, La. He will continue his training at Fort Sill, Okla.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

Austin — A \$10,000,000 state bond sale has launched a new "opportunity plan" designed to bring college educations within the financial reach of all qualified Texas youth.

"Never again will students of this state be denied higher education because of lack of funds," commented John E. Gray of Beaumont, chairman of the Coordinating Board, Texas College and University System. Initial bond sale was awarded to a Chicago bank.

Action by the Coordinating Board set in motion the loan plan approved by Texas voters as a Constitutional amendment last year. Amendment authorized a total of \$85,000,000 in bonds to provide funds for students unable to continue education beyond high school without financial assistance. Initial \$10,000,000 sale is believed to be more than adequate to carry the program through the first year.

Ceiling on available loans is \$1,000 a year for undergraduates and \$1,500 for graduates. Although a six per cent interest rate is authorized, the U. S. govern-

ment will pay all interest while a student is in school — and half of it afterward for borrowers eligible for federal interest subsidy.

A borrower's family income must be less than \$15,000. Loans are limited to the difference between available resources and reasonable expenses. Money will be available for the 1966 fall semester.

Interested students are advised to contact the financial assistance officer at the school of their choice. Applicants must be accepted for enrollment and have two recommendations.

In other action last week, Coordinating Board: Approved request for legislative appropriations totaling \$56,100,000 for the 1968-69 fiscal period, most of which would go to an adjustment fund to meet financial needs due to enrollment increases at public colleges, universities and junior colleges.

Authorized election for Angelina County junior college but rejected requests for Rains, Van Zandt and Kaufman Counties junior college.

WTU NOTEBOOK—PATTERNS FOR PROGRESS

INDUSTRIAL SITES AND BUILDINGS

...basic for new and expanding industry

Industries' requirements for land and buildings are one of their most important interests when selecting a town in which to operate. Each industry has its own peculiar needs. Therefore, a wide variety of different type industrial sites gives a community increased chances of obtaining new industry as well as helping its existing industry to expand. Planning and zoning by a community is important to the community as well as to industry. Land is now available in West Texas. Wise planning for the future can easily be accomplished.

INDUSTRIAL SITES — range from industrial parks, planned industrial districts, individual sites (with all utilities) to raw land to be developed. Communities desiring new industry should have the following information on firmly committed industrial sites...

PLATS — Showing size, shape, location of utilities, access to transportation and topography.

LOCATION — Inside or outside of the city and any zoning restrictions.

PICTURES — Aerial photos tell an excellent story on an industrial site.

INDUSTRIAL BUILDINGS — existing buildings are very important as they are usually available at a lower cost than building new ones. In addition to the above information on sites, a community should have the following information on buildings...

FLOOR PLAN — Showing the size and dimensions of building, wall and ceiling heights, floor bearing capacity, office space, whether it has sprinkler system for fire protection and what type heating and air conditioning would be available.

PICTURES — Show the type construction of the building as well as many other items of information that industry would be interested in.

VIP (Very Important Part) — Have firm commitments in writing on all industrial sites and buildings as to sale price and/or lease price, cost of extending utilities or roads and basic construction costs in the area for new facilities.

Ask your WTU local manager for additional information and services available.

NOW'S THE TIME TO
LAYAWAY for CHRISTMAS

WHAT'S NEW

Is your family planning to build an eating counter in your kitchen for casual meals and snacks?

Before you add the counter, look at both your family and your kitchen, suggests, Mary Y. Newberry, Jones county home demonstration agent.

Can your family easily use such a facility? Eating counters at stools height are uncomfortable for preschoolers and senior citizens. If your family has either age group, consider a chair height counter which is more comfortable for all ages.

Next, how much space is required? You should allow a minimum of 21 inches in width for each person. To determine the length of a straight counter, simply multiply the number of family members by 21 inches. Remember that L-shaped counters require additional space at the turn. And allow space for people to sit at the counter with an adequate amount of room for passage behind each seated person.

Research studies indicate that a minimum of 44 inches is needed between the front edge of the counter and the nearest wall or solid object.

Are there other places for your family to dine? The number of dining areas needed depends on your family's pattern of serving family and guest meals. Most families want at least one meal each day to be a time for relaxation and conversation. Counters should be arranged so

that it is not difficult to converse with everyone present.

A 30-inch high counter generally is comfortable for a person seated in a chair of average height. Allow a depth of 20 inches for leg room. A stool height counter should be 36 inches high. And allow at least 14 inches of knee space for a stool height counter, researchers say.

Next time you go shopping to buy new fitted cotton sheets, here's a suggestion that will help you pick a long wearing style and save you money.

According to recent tests made by the American Institute of Laundering, fitted bottom sheets with elastic sewn into the corners wear longer than those fitted cotton sheets with non-elastic corners, says Mary Y. Newberry, Jones county home demonstration agent.

In the research tests, sheets with elastic corners were used and washed for 52 weeks with no repair needed. Fitted sheets with non-elastic corners had to be repaired after only 21 weeks of use. Both types of sheets were of comparable quality materials.

Mrs. Newberry explained that the fitted bottom sheets usually do not last nearly as long as flat sheets which can be rotated to distribute the wear more evenly.

Other factors to consider when shopping for sheets are the various qualities of fab-

ric included in the sheets. It may be more economical to purchase the better quality sheet at slightly higher cost than to attempt to economize on the price, the agent adds.

"Thumping or tapping" is not a satisfactory method to use when choosing melons, says Mary Y. Newberry, Jones county home demonstration agent.

It is much safer to devise a few simple external ways to test for melon ripeness. When choosing watermelons, look for deep solid green to grey color with a yellowish color on the underside. Melons that are greenish or white on the underside are usually immature.

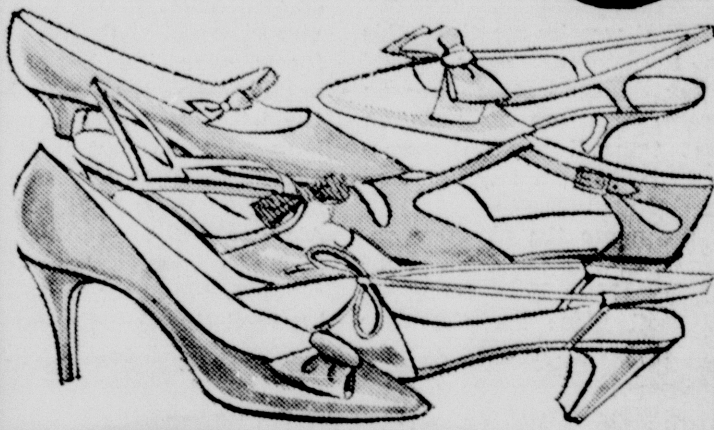

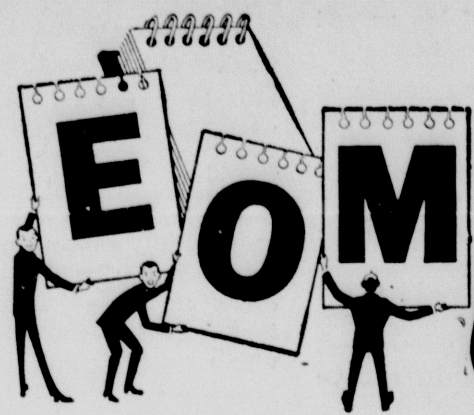

Select a watermelon that is symmetrically shaped with dull, velvety appearance. Slick, shiny surfaced melon are a risk because they are usually overripe.

When judging sections of a cut watermelon, choose one with a bright firm texture and deep red flesh. Dry, mealy-looking flesh, or watery, stringy texture means the watermelon is either overripe or old. Seeds generally should be dark brown or black, however, there are exceptions according to varieties.

When you get tired of eating watermelon, drink it. Make watermelon punch by squeezing the juice from watermelon pulp and mix with cherry and pineapple juice. Add lemon juice if desired.

If you prefer cantaloupe, look for a light green melon with grey or yellowish cast with coarse, dry, well-defined netting over the surface. A smooth, slightly sunken stem scar means the melon was ripe when pulled. When ripe, sweet odor. The meat of a good cantaloupe has deep orange color with fine grained texture and a sweet pungent flavor.

17 Explorers, Four Leaders Leave On Canadian Canoe Trip

Seventeen Explorer Scouts and four adults left here Monday morning about 8 a. m. to take part in the Region 10 Canoe Trip at the Charles L. Sommers Wilderness Canoe Base.

The group will get to the base located in the Arrowhead country of Minnesota, 22 miles northeast of Ely and three miles, by water, from the U. S. boundary.

The base, run by the National Council of Boy Scouts of America is on Moose Lake where the road ends and the wilderness begins.

The boys, travelling in four private cars, plan to camp out three nights enroute. The

first night was spent in Wellington, Kansas, where arrangements were made for use of a swimming pool and to spend the night in a church there.

The group includes Mike Murphree, Randy Smith, Sammy Ferguson, Charlie Shira, Davis Weaver, Leldon Clifton, Gary Smith, Don Colley, Chris Perrin, Steve Smith, Gary Maberry, Gene Stovall.

Also Jim Kemp and Randy Wiseman, both of Haskell and Jack Evans of Albany.

Adult leader are Floyd Smith and Milburn Wink of Hamlin, Walter Overton and Mike Overton, both of Paint Creek.

At the canoe base the group will be furnished with canoes, tents, all packs, cooking gear, life jackets, and "light-pack" food. The food to be carried on the trail is dehydrated and concentrated to reduce weight. The base furnishes everything needed for the operation of a successful high adventure canoe trip of ten days.

Each crew is accompanied by a guide.

The fishing in the wilderness area is a sportsman's paradise. The lakes are full of Northern pike, bass and lake trout. Canadian fishing licenses are included in the fee that each Employer pays.

The group will return home Aug. 9.

Cheer Leaders Attending Texas Tech School

The Pep Squad cheerleaders for 1966-67 at Hamlin High School are attending cheerleading school at Texas Tech this week.

The girls left Sunday and will return Friday.

Attending are Cheryl Walton, daughter of Mr. and Mrs. Gene Walton; Kathy and Helen Moore, daughters of Mr. and Mrs. William Moore; Geneva Ward, daughter of Mr. and Mrs. Lee Ward, and June Hill, daughter of Mr. and Mrs. John C. Hill.

All girls interested in being in Pep Squad this year are invited to meet with the majorettes and cheerleaders at 4 p. m. Tuesday, Aug. 9, in front of the high school.

Area Farm and Ranch News

By Don Elmore

The officers and directors of the Hamlin Riding Club met Monday evening at Georgia and Utah's Cafe to discuss the water situation at the arena. It was decided that the club would buy a big meter so the grounds could be watered to insure good footing for the horses as well as hold down the dust.

Attendance at play nights has been short on contestants and spectators, and we think the arena condition has had a lot to do with this.

We encourage everyone to come on out Saturday night and win yourself a trophy.

On July 31 at 2 p. m. there will be a Jack Pot roping in Jayton. A four calf average for the open ropers and also a two calf two head roping for the ropers 50 years and over, \$17.00 Billy Morrow is the wheel, phone CE 7-2267.

Everyone check and see if you can order a rain.

Dates Set for Summer Band

Tim Jones, band director, has announced dates for the two week summer band school for high school students. The first week will begin Aug. 8 and the second week will begin Aug. 22.

Also anyone who has a band instrument that they wish to sell should contact him at the band hall, SP 4-1472, or at SP 4-1300.

Federal Crop Insurance Offering Increased Production Guarantees

Increased production guarantees and a new premium discount feature will highlight the Federal Crop Insurance Corporation's Wheat Insurance program in Jones County for 1967.

Charles T. Rust, local representative for FCIC, says guaranteed wheat coverages have been increased 22 percent in the county as a result of a program adjustment based on normal production increases during the past 10 years.

In addition, Rust says, a new premium discount feature is being introduced this year. Policyholders who do

not experience a loss for one year will be granted a five percent discount for the second year. Previously, policyholders had to have three consecutive years without a loss to qualify for a premium discount.

Applications for insurance on the 1967 wheat crop are now open in the county. Farmers interested in complete details about the low-cost program may contact Charles T. Rust at VA 4-2039 in Anson for full details at no obligation or may write the FCIC District Office, Third Floor, County Courthouse, Vernon.

O. L. RICH
... marks 25th year

Shell Pipe Line Honors O. L. Rich For 25 Years

O. L. Rich, Field Gauger for Shell Pipe Line Corporation's West Texas Division, will complete 25 years of service July 25.

In 1941 Rich began his career with Shell Pipe Line as a Laborer in McCamey, Texas. In 1944 he became an Oiler in the Wasson Field, one year later transferring to Garden City, Texas as a Station Engineer. He was appointed Tank Farm Gauger in 1953 at McCamey. Rich was named Field Gauger in 1958 in Goldsmith, Texas, moving to Hamlin, Texas in 1963.

Calvary Baptist To Hold Revival

The Calvary Baptist Church revival will open Sunday with Rev. Carl Rea of Wichita Falls as the evangelist.

Services will be held at 9:30 a. m. and 8 p. m. daily through Aug. 7, according to the pastor, Rev. Carrell Watkins.

... 25 years of service

C. J. Sewell Honored for 25 Years Service

C. J. Sewell, Pipeliner-Welder 1st Cl. for Shell Pipe Line Corporation's West Texas Division, recently observed 25 years of service.

Sewell began his career with Shell Pipe Line in 1941 as a Laborer in Forsan, Texas. He was appointed Pipeliner-Welder in 1947 in Colorado City, Texas, transferring to Hamlin, Texas in the same capacity in 1953.

Mr. and Mrs. Sewell reside at 230 S. W. Avenue D, Hamlin.

Glenda Hudspeth On World Tour

Glenda Hudspeth, daughter of Mr. and Mrs. Joe Hudspeth, is with a group of about 30 students and adults on a "round-the-world" tour being headed by Dr. Edwin L. Skiles, president of Hardin-Simmons University.

The delegation of high school and college students and several adults left Abilene June 20 and the tour will end Aug. 3.

Some of the places visited include Jerusalem, Haifa, Tel Aviv, Cairo, Egypt, and India.

Dr. Skiles left the tour to return to H-SU on July 24. Mrs. Skiles and daughter, Sarah, joined the party and were to continue through Western Europe as tour guide.

Attend Graduation

Mr. and Mrs. Edgar Duncan and Mrs. Albert Haight went to Ft. Worth Friday morning to attend graduation exercises at Southwestern Baptist Theological Seminary. R. A. Guthrie Jr., a former Hamlin resident and employee of Piggly Wiggly, received a bachelor of divinity degree. He and his family are moving to Flagstaff, Ariz., where he will assume the pastorate of a church.

BIRTHS

Mr. and Mrs. Freddie Lee Rashberry of Roby are parents of a girl, Rachel Lynn, born July 20 at 5:29 p.m. weighing 7 lbs. 6 oz.

Mr. and Mrs. Morris Reyes of Aspermont are parents of a girl, Rosantina, born July 21 at 4:20 p.m. She weighed 6 lbs. 11 oz.

Mr. and Mrs. John Elmer Roddy, Rt. 1, Hamlin, are parents of a son, John Robert, born July 23 at 11:18 a. m. He weighed 9 lbs.

Misses Eunice Johnson and Mae Bess Johnson from Carrollton, Ga., visited with their cousin, W. L. Fletcher Sr. Other visitors included Mr. Fletcher's daughters, Mrs. Neal Chastain of Spur and Mrs. Hermon Barnett of Littlefield.

Group Names Bill Rountree Man of Month

Bill Rountree, water superintendent for the City of Hamlin was elected the man of the month for the Lone Star water and sewer association at Roby July 20. He was recognized for his long service to the City of Hamlin and for his cooperative spirit with the association and other cities in this area. He has worked closely with the state health department and the Texas State Water and Sewer Association.

He is presently serving his third term as president of the association.

His recommendation has been sent to the State association and a State man of the month will be chosen from the applicants.

County Agent Gives Advice On Quality Hay Crop

Quality pays, not quantity alone in saving hay, explains County Agent Kirby Clayton. By leaving hay crops in the field until they are near maturity, you get more hay but it will not be worth as much as a lesser amount of higher quality, he adds.

He advises cutting Costal Bermuda every 24 to 28 days to get the best quality hay. After 30 days, Costal generally loses one percent of its protein every day. After cutting, additional fertilizer should be applied in accordance with a soil test, to Costal for good regrowth.

Johnsongrass for hay should be cut when the first seed heads appear. If left until all seeded out, hay is of poor quality. If fertilizer is applied after cutting, another harvest can be made in late summer.

Sudan, millet and sudan-sorghum crosses make good hay if cut early and run through a hay conditioner, says the county agent.

After cutting regular grass hay meadows, apply additional fertilizer and get a later harvest, he suggests.

Under-grazed pastures can be cut and baled for hay or stacked in the field. Here, too, additional fertilizer should result in more growth for grazing or hay, Clayton says.

Piggly Wiggly Winners Named

Winners in the recent 20th anniversary celebration at Piggly Wiggly have been announced by Edgar Duncan as follows: cup ensemble, Brad Hobbs; Borden truck Bert Moran and Mike Davis; Elsie Doll, Melinda Dawkins; boy's bicycle, Brit McCracken; telescope, Jeffrey Witt; girls transistor, Carol Shearer and Roberta Douglas, hair dryer, Cynthia Beck; boys transistor, Brit Thompson and Alcario Mendoza.

Portable T. V., Lenis Smith; 40-piece set of dishes, L. J. Cunningham; stainless steel flatware, Olito Gonzalez; barbecue grill, Mrs. Bob Tegart, C. B. Owen and Cleo Crawford; rod and reel, Mrs. J. E. Hix; scales, Mrs. Alvis Bond; Toaster, Mrs. Lewis Yates; and La Vern Wall; kitchen set, D. H. Giles, whistling tea kettle, Mrs. Elmer Keith; dutch oven, Charles Reed; 5-quart sauce pan, Mrs. J. E. Beard; 2-quart sauce pan, Mrs. Jack Collins; 1-quart sauce pan, Mrs. Frank Lafler; 11-inch fryer, George Phea; double boiler, Freddie Boen; mixing bowl set, Rosie Currie.

There were 48 winners of sacks of groceries and 12 winners in the S & H Wishing Well.

Mr. and Mrs. Loyd Burkhardt have returned after attending the Lions Club International Convention in New York, N.Y., July 6-9 with 30,000 Lions from 135 countries.

They also toured New York City, Washington, D. C., Arlington, Va., Williamsburg, Va., Gatlinburg, Tenn., and Nashville, Tenn.

Assessment Type Paving Program Being Planned

A resolution was passed July 21 by the City Council ordering certain streets in Hamlin to be paved with a portion of the cost being assessed against the owners and their property, respectively.

A legal notice published this week gives notice of intention of the City to make improvements and assess the owner and the property which shall constitute a lien upon

the land for the amount of the assessment.

A public hearing to be set at a later date, will have to be held before the assessment becomes final.

The property which abuts the following streets will be assessed:

Northwest Ave. D between N. W. 3rd and N. W. 5th.

Northwest Ave. E between W. Lake Drive and N. W. 5th St.

Northwest 3rd St. between N. W. Ave D and N. W. Ave. E.

Northwest 5th St. between N. W. Ave. D and N. W. Ave. E.

Southwest Ave. F between S. W. 1st and S. W. 4th St.

After bids are taken and a contract let residents who wish to pave their street may contact the City Hall for prices and procedure. New paving would have to connect with existing paving.

Survey Team Finding Weevil Damage Here

This week the Rolling Plains Insect Survey Team reported boll weevil damage in all of the 28 fields being checked in Jones County, according to a report this week by Jones county agent, Kirby Clayton. Although most of the damage is caused by overwintered weevils, first generation weevils are probably appearing in some fields. Counts are now based on punctured squares and five fields had enough damage to warrant poisoning. However, Clayton reported that the hot weather was killing some of the young grubs before emergence to the adult stages.

Other insects appearing in the Jones County cotton were lygus bugs, stinkbugs and rapid plant bugs. However these insects were not a serious threat this week.

Continued hot weather is expected to limit insect activity to a certain extent especially the bollweevil.

Homemaking Teachers to Attend Dallas Conference

Mrs. James Simmons and Mrs. Steve Smith, homemaking teachers, will participate in the State In-service Education Conference for teachers to be held Aug. 1-5 at the Statler-Hilton in Dallas.

Theme for the meeting will be "Quality Programs in Home Economics Education." Approximately 2,000 homemaking teachers are expected to attend the meetings.

Brother Dies At Aspermont

Services were held Tuesday at 10 a. m. in Aspermont Church of Christ for Jim Harmon Burfield, 76, brother of Mrs. Tom Campbell of Hamlin.

Mr. Burfield died at 7:30 a. m. Sunday in Stonewall Memorial Hospital. Burial was in Aspermont Cemetery.

Survivors include his wife, one son, one daughter, three brothers, three sisters, four grandchildren and five great-grandchildren.

A nephew, George Campbell, lives in Hamlin.

Attend Open House

Approximately 100 persons registered during open house at Bishop's Flowers Saturday in the new location at 242 S. Central.

Elsie Withers received the gift, a set of kitchen wall plaques.

Makes First Ace

Tim Jones made his first hole-in-one at Abilene Sunday afternoon at the Lazy Tee, a par-three course.

Using a five iron he hit the cup on hole five, a distance of 133 yards.

Mrs. Don Smith and children, Don, Jeff, Lisa and Gordon of Morton returned to their home in Morton Sunday after a two week visit with her mother, Mrs. Jackie Fletcher. Her husband, a captain in the Air Force is stationed in Viet Nam.

A3c Dewane Bundas is now stationed at Brentwater Air Force Base in England. A weapons and munitions specialist, he will be there for three years. He visited with his parents, Mr. and Mrs. Andy Bundas, before going to England.

HD Club Women Make Plans for County Fair

Plans for the Jones County Fair concession booth were completed at the Home Demonstration Council meeting held in the office of Mrs. B. V. Newberry July 20.

Hamburgers, hot dogs, homemade pies, coffee and cold drinks, will be served. The clubs will take turns in operating the concession.

Each club will also have a booth for exhibits.

Mrs. H. A. Haynes was elected F. H. D. A. chairman.

Delegates to the state convention in Corpus Christi Sept. 20, are Mrs. Haynes, Mrs. Cal McAninch, Mrs. Clyde Chancy, Mrs. Elmer Joiner, Mrs. Herndon and Mrs. Hudson are alternates.

Mrs. P. R. Wilemon Honored on 100th Birthday

Mr. and Mrs. Felton West attended the 100th birthday anniversary celebration for her grandmother, Mrs. P. R. Wilemon, at Nelson Rest Home in Cleburne.

Thirty relatives attended the birthday party. A nurse at the rest home baked the cake which was topped with 100 candies.

Mrs. Wilemon a former Hamlin resident, had 10 children, six of whom are still living. Other descendants include 22 grandchildren, 52 great-grandchildren, and 46 great-great-grandchildren.

One son and four daughters attended. They were Walter Wilemon of Anson, Mrs. T. E. Lail of Glen Rose, Mrs. G. L. Gatewood of Cleburne, Mrs. T. E. Bressie and Mrs. Bill Tripp, both of Ft. Worth.

The other daughter, Mrs. Hugh Mason of San Angelo, was unable to attend.

Visiting in the home of Mrs. W. R. Redus were her two sisters, Mrs. J. S. (Jewel Dean) Long of San Francisco, Calif. and Mrs. Lola Miller of San Angelo.

Medicare Enrollment to Be Continuing Process, Says Tuley

"Medicare enrollment will be a continuing process from now on," said R. R. Tuley, Jr., social security district manager for the Abilene area. The general enrollment period that ended May 31 was an all-out effort to enroll those persons who were already age 65 or older.

Persons not yet 65 will have 7 months in which to enroll for doctor bill insurance, Tuley continued. The individual's enrollment period for that part of Medicare will run from the third month before his 65th birthday month to the third month after it. Thus a person who will be 65 in October, 1966, may enroll from July 1, 1966, through January 31, 1967.

"There is no special enrollment period for the hospital insurance part," he went on, adding that a person past 65 could sign up for that even after he becomes an inpatient at a participating hospital. There are no premium payments involved for the hospital insurance half of Medicare.

Whether or not a person has retired or has ever worked under social security has no effect on Medicare coverage, but failure to enroll in the 3 month period before age 65 will result in a delay of from one to three months in acquiring the medical or doctor bill part of Medicare coverage. A higher premium cost will apply for those who do not enroll at their first opportunity but decide to come in during a later October-December period in 1967, 1969, or other odd-numbered years. Persons nearing age 65 are urged to ask their social security office for the free booklet on Medicare, Tuley added.

KATHRYN COUNCILMAN
... sets Sept. 9 wedding

Councilman-Campbell Vows To Be Read Sept. 9

Rev. and Mrs. Clarence E. Councilman of Sweetwater are announcing the approaching marriage of their daughter, Kathryn Ann, to Joseph Auld Campbell of Hamlin, son of Rev. and Mrs. James A. Campbell.

The Councilmans are former residents of Hamlin when he was pastor of United Pentecostal Church. Rev. Campbell is the present pastor. The wedding will be Friday, Sept. 9, at 7:30 p. m. in the United Pentecostal Church here.

The bride-elect attended schools in Sweetwater, Snyder, and Roscoe and graduated from Hamlin High School in 1965.

The prospective bridegroom attended schools in Ontario, Calif., and finished high school in Hamlin at mid-term this year. He is seeking employment in Brownfield where the couple plan to reside following their marriage. He is preparing for full time ministry.

Wrights Honored With Ice Cream Supper Here

Mr. and Mrs. E. L. Jenkins Sr. hosted an ice cream supper for their daughter and family, Mr. and Mrs. Donald Wright, Ricky, Daye and Larry Don, who are moving from Sagerton to Longview. Other children attending were Mr. and Mrs. E. L. Jenkins Jr., Gary and Linda of Stamford, Mr. and Mrs. Dwaine Stephens, Cynthia and Hollis of Neinda and Mr. and Mrs. Herman Sharer of Hamlin.

Thelma Cohorn, Clyde Hubbard Exchange Vows

Thelma Cohorn and Clyde Hubbard exchanged wedding vows Tuesday evening at 7 p. m. at First Baptist Church. Rev. Byron Bryant officiated. The bride is the daughter of the late Mr. and Mrs. C. C. Cohorn and the bridegroom is the son of Mr. and Mrs. Clyde Hubbard.

After a wedding trip the couple will live at 828 S. E. Ave. A.

Hawkins Circle Meets In Cotten Home Tuesday

The Hawkins Circle, W. S. C. S., First Methodist Church, met Tuesday morning in the home of Mrs. W. B. Cotten with nine members present. Forty-six visits to the sick and shut-ins were reported. Mrs. E. J. Hawkins, circle chairman, gave the opening prayer.

A workshop to be held at the church on Aug. 11 was announced.

Volunteers to assist the new pastor, Rev. Cecil Hardaway, in visiting and those who can sit with residents at the rest home were asked to contact Mrs. L. H. McBride or Mrs. W. T. Johnson. The program, "Not What We Do, But What We Are," was presented by Mrs. Tom Teague, who also gave the closing prayer. The next meeting will be held in the home of Mrs. Joe Culbertson Aug. 30.

Lois Glass Circle Presents WMS Program Tuesday

The circles of the Woman's Missionary Society of First Baptist Church met together in the chapel Tuesday morning.

The Lois Glass Circle presented the program with Mrs. Dale Lain, circle chairman, presiding.

Mrs. Bill Keck read the prayer calendar and led the opening prayer.

Mrs. Joe Ford brought the Bible study, "From Josiah's Reign to Judah's Fall."

The closing prayer was by Mrs. Edgar Duncan.

Betty Spalding, Billy Weaver Married Friday

Betty Spalding, daughter of Mr. and Mrs. Robert Glen Spalding, and Billy Weaver, son of Mr. and Mrs. Mart Weaver of Old Glory, were married Friday evening in the home of the bridegroom's brother, Melton Weaver.

Rev. C. G. Barrow, pastor of Sunset Baptist Church, read the marriage vows. After a wedding trip the couple will live at 211 N. W. Ave. E.

The bride is a graduate of Hamlin High School. The bridegroom was graduated from Aspermont High School and attended San Angelo College. He is employed by Ham-Tex Construction here.

Coke Party Honors Mona Anderson Of Sheffield, Pa.

Mona Anderson, house guest of her aunt and uncle, Dr. and Mrs. E. D. Perrin, was honored with a Coke party Tuesday afternoon in the home of Beth Craig.

Guests included the honoree, her cousin, Pat Perrin, Patti Murphree, Marilyn Fudge, Jane Hymer, Sharee Nail and Patty Cowan.

Miss Anderson left Wednesday with her parents, Mr. and Mrs. Bob Anderson, to return to their home in Sheffield, Pa.

SYLVESTER NEWS...

By Mrs. R. M. Babb
Visiting in the home of Mrs. Raymond Kiser are two of her sisters, Mrs. Dean Waggoner and children, Mrs. Bernice Adecock and children of Cuero, Texas.

Mrs. C. R. Davis is visiting with her sister, Mrs. Alfred Douglas while she is waiting for her husband to retire from the Air Force. As soon as he is out of the service they plan to settle some where

near Austin. Our sympathy to Mrs. Lillie Jones in the loss of her son, Clarence (Jack) Williams last week.

Our sympathy also goes out to the families of Finley and Pauline Rogers, it was a shock to every one, but we must realize there is a reason for every thing.

The other young man that was involved in the accident was a second cousin of Mrs.

W. B. Brown of our town.

Mr. and Mrs. Kenneth Mauldin and children of Breckenridge visited the Guy Mauldin's over the weekend and, oh yes, he had the horse with him, just bet he was going to do some roping?

Rev. W. E. Woodson and son of Mt. Ida, Ark. stopped by the home of Mrs. W. B. Brown on his way to Lamesa for his nephew's funeral.

Mr. and Mrs. Curtis Stevenson of Anson spent Sunday afternoon in the homes of E. P. Harris and Alfred Douglas.

Terry and Kim Portwood their grandparents the M. D. Brown's The youngsters are

now living in Odessa and we still miss them around here.

Mrs. Ross Douglas and Mr. and Mrs. J. P. Maberry spent time at the bedside of their sister, Mrs. Levora McElvey, who had surgery this past week. They assured me she is doing fine.

Mrs. J. J. Self is home after spending several days with her daughter in Lubbock. She said she was very sick while she was gone but is feeling much better.

Mrs. Bessie McClung of Dallas and Mr. and Mrs. Jack McClung of San Angelo spent the week end in the Woodrow Lawlis home and in the homes

of other relatives.

The Jerry Prater family of Sweetwater spent Sunday afternoon in the home of the W. B. Brown's.

Mrs. Tommy Wilson and daughter of Southland Tex. spent Friday with her mother, Mrs. Gladys Williams.

The Methodist people enjoyed a "Family Night" and a "Pounding" honoring their new pastor, and we wish to add our welcome to the Mizner family!

Mr. and Mrs. Faye Dozier's son and grandchildren visited over the weekend and attended church with them.

We have a big dark blue cloud in the west this Monday

and I just wonder if maybe we might get a good ain. We can use it.

Mr. and Mrs. Bo Newland, Vicki and Milbourne, and Mrs. Earl Brown spent last week with Mrs. Brown's sister and her husband, Mr. and Mrs. Gordon Green, at the Green's cottage at Rockport. On Friday afternoon the Newlands and Mrs. Brown toured the Astrodome in Houston and saw the game that evening.

Mr. and Mrs. G. M. Iracheta of Rotan are parents of a boy, Osbaldo, born July 12 at 9:29 p.m. He weighed 7 lbs. 6 oz.

RES. SP 4-1767 OFFICE: SP 4-2500
HAMLIN, TEXAS

The Church PLANTS and WATERS...

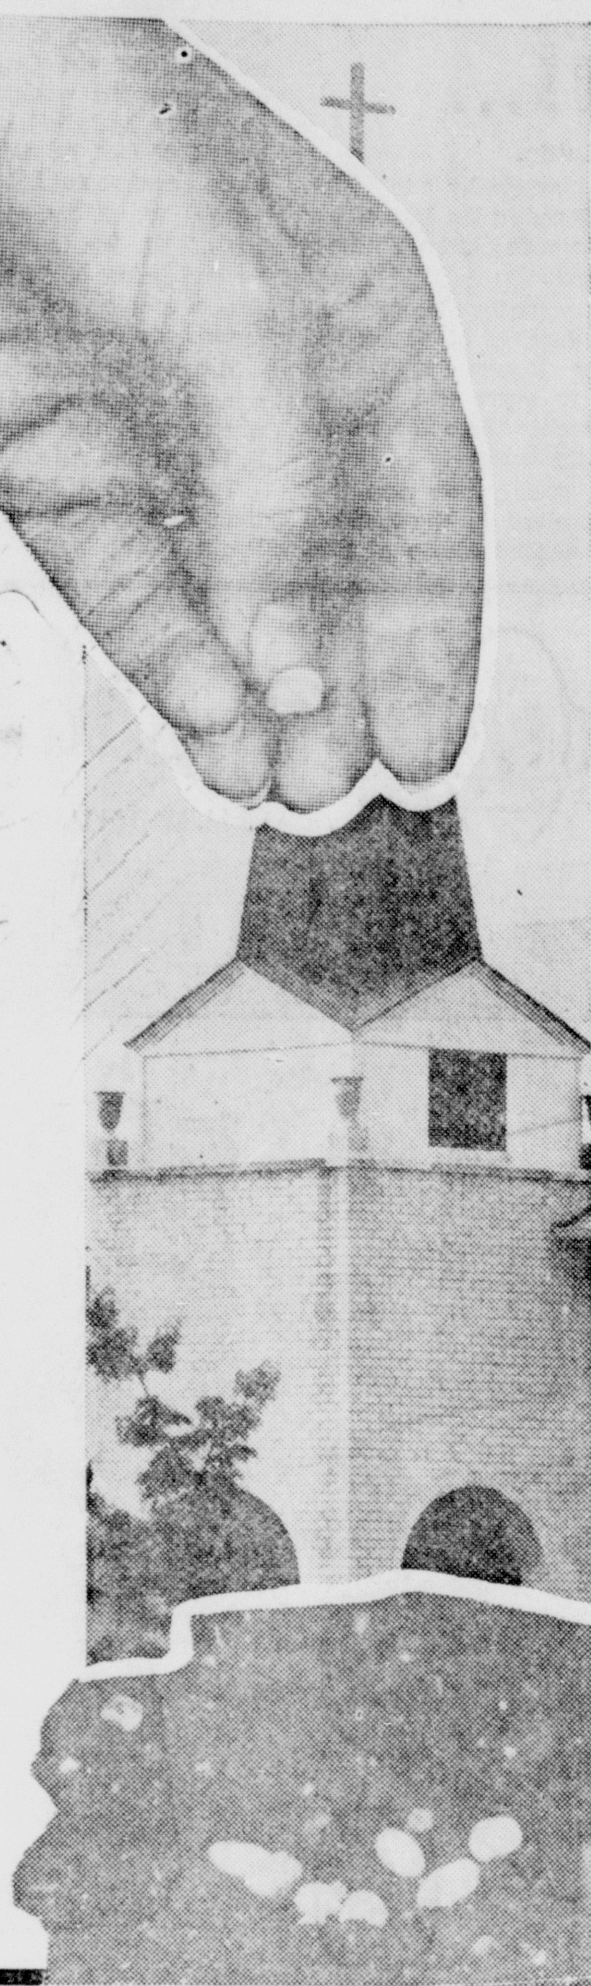

The church plants the seed of faith, waters and tills the soil. These are the things that a church can do, and no more... then God provides the love and life-giving essentials. The growth then depends on the type of soil... is it barren... mediocre... or fertile. Your life with God will grow according to your will and desire.

"Blessed is the man that walketh not in the counsel of the ungodly, nor standeth in the way of sinners, nor sitteth in the seat of the scornful. But his delight is in the law of the Lord; and in his law doth he meditate day and night. And he shall be like a tree planted by the rivers of water."

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

FAIRVIEW NEWS...

By Mrs. Elmer Joiner
News is hard to find this hot weather for about all anyone does is just what they have to. It is far too hot to go anywhere unless it is necessary, too hot to cook, too hot to work at anything, so about all we can say and be truthful is that it is too hot. A good rain would be worth many a dollar right now, but we are wondering if it is coming.

Attendance was real low in church Sunday, too many like myself had other things

OLD GLORY NEWS...

By Judy White
Visiting in the home of Mr. and Mrs. B. R. Johnson were Major and Mrs. Richard C. Anable and son, James. Major Anable has recently retired from the U. S. Air Force, he is a close friend of Major Glendon T. Johnson. The Anables have been visiting his parents in Washington. They plan to make their home in Austin.

Mr. and Mrs. Albert Kleppe were also visitors in the Johnson home last Sunday.

Mr. and Mrs. Garrett Spitzer spent several days in Canyon recently visiting their son and wife, Mr. and Mrs. Kenneth Spitzer.

Guests in the home of Mr. and Mrs. Jimmy Cox last Sunday were Rev. and Mrs. Jack Key and Stanley of Abilene.

Mrs. Travis Bell left last Friday for California where she will spend a few days vacationing and visiting relatives. She also plans to go to Nevada to visit her son and family, the Billy Bells.

Danny Lammert has enrolled in Texas Tech at Lubbock for the second six weeks of the summer session. Danny Gene Letz is also attending Texas Tech this summer, he too attended the first six weeks. Both young men are 1966 graduates of Old Glory High School.

Mr. and Mrs. Raymond Gerloff of Abilene visited his mother, Mrs. Katie Gerloff, here last Sunday afternoon. Other visitors in Mrs. Gerloff's home were Mr. and Mrs. Herbert Klump and Mrs. W. G. Wienke.

Guests in the home of Mrs. Bernice White and Judy last Sunday were Cindy Pitcock of Rule and Francell Boles.

Mr. and Mrs. Don Hertenberger, their son, Donnie and their two daughters, Phyllis and Marsha, all of Fort Worth and the four sons of Mr. and Mrs. Jack Simmons, Jackie, Jerry, Jeffrey and Joel, also of Fort Worth spent last week end with Don's parents, Mr. and Mrs. Beno Hertenberger. The Simmons boys remained for a longer visit with their grandparents.

Guests in the home of Mr. and Mrs. Lynn Flowers last Sunday were Mr. and Mrs. James Overton and Mr. and Mrs. J. V. Frizzell all of Stamford.

Mr. and Mrs. Morris James of Richardson visited the Sawyers family last week, and her sister Mrs. Willie Fletcher returned home with them for a visit.

to do, some that I did not hear from, so since I was away myself did not get much news.

We, the Elmer Joiners, went to Lubbock Sunday to visit with Mr. and Mrs. Henry Kee, and to attend a fortieth wedding reception for Mr. and Mrs. Jim Leslie, of Lubbock. Mr. and Mrs. Leslie were married in this area forty years ago. She was the former Audrey Irwin, and lived here for some years. They have been in Lubbock for a long time. Other visitors in the Kee home were, Mr. and Mrs. Delbert Martindale and three sons, of Beeville, who were enroute home from Oregon, where they visited with his folks. Sonny Joiner, San Antonio, also went to Lubbock for the weekend and to attend the wedding reception.

Mr. and Mrs. Flavil Holmes went to Abilene Sunday and spent the day with their daughter, Mr. and Mrs. Jack Wright and children. Mrs. Holmes had a birthday last week, so the brother, Mr. and Mrs. Jimmy Holmes and Melody, came over from Big Spring, as well as the grandmother, Mrs. Alma Holmes, Mr. Holmes mother, to help eat the birthday dinner.

Melinda Wright came home with Mammaw to spend the week, this week.

Thursday guests of the Elmer Joiners were Mr. and Mrs. Bill Joiner, Christine, Michael, Robert, Brenda and Tommy, who are residents of Brawley, Calif. Bill is the son of Oliver Joiner, also of Brawley, who is brother of Elmer Joiner. They are in Texas visiting his mother, Mr. and Mrs. Leroy Vanderwort, who live near Old Glory.

Mr. and Mrs. Jim Henry and girls, of Midland, were Sunday guests of his parents, Mr. and Mrs. E. A. Henry.

Mr. and Mrs. Runt McCoy and Larry went last Thursday to Ruidosa, New Mexico, to have a cool vacation. They were joined Saturday by Mr. and Mrs. Corky Taylor, of Lubbock, all coming to Lubbock Sunday, then on home Monday.

Jeannie Young will represent the Friendship Home Demonstration Club, as candidate for Maid of Cotton Queen, at the queen contest to be held on the fair grounds, the last night of the Jones County Fair, Aug. 25.

Mrs. Woodrow Goodwin and Linda, and Mrs. Elmer Joiner, attended the gift tea in Stamford, Saturday afternoon, honoring Linda Lindsay, who will be married Aug. 20. Linda is the daughter of Mr. and Mrs. Doc Lindsay and granddaughter of Mrs. Lura Lovvorn, also of Stamford.

Be sure and not forget the big hat sale next week, Tuesday, Aug. 2 in the high school cafeteria, beginning at 8 a. m. and lasting until 6 p. m. It might even last longer if hats are being sold. Free coffee and doughnuts will be served to prospective customers, throughout the day. What better deal could you find than that, besides buying a four dollar hat good enough to wear anywhere. The Home Demonstration Clubs will appreciate every customer that comes, we just invite you to come look, you will be sure to find a hat to please you, for there will be enough on hand to pick from.

SIGNS OF PROGRESS

By electrifying remote rural areas, MIDWEST ELECTRIC CO-OP, INC. has made the country more comfortable for rural residents and more inviting for city folks.

Rural electricity attracts rural industry too, which means more jobs, increased property values and a stronger economy. MIDWEST ELECTRIC CO-OP, INC. is planning ahead to provide the larger poles, heavier lines and bigger transformers needed to carry the increased demand for electricity... a demand that doubles every 8 years in rural areas. It is this dependable, low-cost electric service that is building a brighter tomorrow and Helping Texas Grow.

MIDWEST ELECTRIC CO-OP, INC.
ROBY, TEXAS

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

Austin — A \$10,000,000 state bond sale has launched a new "opportunity plan" designed to bring college educations within the financial reach of all qualified Texas youth.

"Never again will students of this state be denied higher education because of lack of funds," commented John E. Gray of Beaumont, chairman of the Coordinating Board, Texas College and University System. Initial bond sale was awarded to a Chicago bank.

Action by the Coordinating Board set in motion the loan plan approved by Texas voters as a Constitutional amendment last year. Amendment authorized a total of \$85,000,000 in bonds to provide funds for students unable to continue education beyond high school without financial assistance. Initial \$10,000,000 sale is believed to be more than adequate to carry the program through the first year.

Ceiling on available loans is \$1,000 a year for undergraduates and \$1,500 for graduates. Although a six per cent interest rate is authorized, the U. S. govern-

ment will pay all interest while a student is in school — and half of it afterward for borrowers eligible for federal interest subsidy.

A borrower's family income must be less than \$15,000. Loans are limited to the difference between available resources and reasonable expenses. Money will be available for the 1966 fall semester.

Interested students are advised to contact the financial assistance officer at the school of their choice. Applicants must be accepted for enrollment and have two recommendations.

In other action last week, Coordinating Board:

Approved request for legislative appropriations totaling \$36,100,000 for the 1968-69 fiscal period, most of which would go to an adjustment fund to meet financial needs due to enrollment increases at public colleges, universities and junior colleges.

Authorized election for Angelina County junior college but rejected requests for Rains, Van Zandt and Kaufman Counties junior college.

WTU NOTEBOOK—PATTERNS FOR PROGRESS

INDUSTRIAL SITES AND BUILDINGS ...basic for new and expanding industry

Industries' requirements for land and buildings are one of their most important interests when selecting a town in which to operate. Each industry has its own peculiar needs. Therefore, a wide variety of different type industrial sites gives a community increased chances of obtaining new industry as well as helping its existing industry to expand. Planning and zoning by a community is important to the community as well as to industry. Land is now available in West Texas. Wise planning for the future can easily be accomplished.

INDUSTRIAL SITES — range from industrial parks, planned industrial districts, individual sites (with all utilities) to raw land to be developed. Communities desiring new industry should have the following information on firmly committed industrial sites...

PLATS — Showing size, shape, location of utilities, access to transportation and topography.

LOCATION — Inside or outside of the city and any zoning restrictions.

PICTURES — Aerial photos tell an excellent story on an industrial site.

INDUSTRIAL BUILDINGS — existing buildings are very important as they are usually available at a lower cost than building new ones. In addition to the above information on sites, a community should have the following information on buildings...

FLOOR PLAN — Showing the size and dimensions of building, wall and ceiling heights, floor bearing capacity, office space, whether it has sprinkler system for fire protection and what type heating and air conditioning would be available.

PICTURES — Show the type construction of the building as well as many other items of information that industry would be interested in.

VIP (Very Important Part) — Have firm commitments in writing on all industrial sites and buildings as to sale price and/or lease price, cost of extending utilities or roads and basic construction costs in the area for new facilities.

Ask your WTU local manager for additional information and services available.

Prepared by Area Development Department, West Texas Utilities.

NEINDA PHILOSOPHER—

Philosopher Says His Farm Is No Place To put One Of The Proposed New Cities — Neinda

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route 1 probably is unnecessarily ornate in his letter this week.

Dear editor:

I had to make a trip to Abilene the other day and while I was waiting to see a man I looked around and discovered the place is perfect for picking up newspapers, they're blowing all over the place, and I brought an armload back home with me and after my nerves calmed down in a day or so from dodging traffic I got in some reading, even if some of them were three or four weeks old. Don't understand why city people would leave good news-

papers like that lying around un-touched for so long.

According to an article in one, a new plan is now being discussed to relieve the tremendous overcrowding in big cities. A national committee thinks it has the right idea: build 25 brand new cities around the country. Pick out a bare spot some place, put up a city, and let the overflow from present cities move in.

What worries me about this is the phrase "bare spot." That describes this Johnson grass farm exactly and the last thing I want is somebody building a city right on top of me.

I can see the planners going over my farm now and saying: Now here would be a good place for the City

Hall, over there we could locate the taller buildings, the better homes could be built further out where those trees are, back beyond the barn would be a good place for the shops, that north pasture would be an ideal place for riots. Look at that gently sloping hill, ever see a better place for traffic jams? That creek on the adjoining farm is hardly big enough to be worth polluting but we could give it a try, you got to make do with what you've got. The airport could be located four farms over, it'd be perfect, not far enough way to keep the jets from being heard as they roar in but still far enough away to take at least an hour to get into town. Along about where the well is located would be a good place for a school, it'd be hemmed in enough so we

could abandon it in a few years very satisfactorily and build a new one some place. Make a note to apply for urban renewal funds for that well in advance.

I tell you I tremble at the thought, I hope you'll tell the committee if it shows up in this area the soil out here on this farm is terrible, won't grow anything, no rock for a foundation, earth tremors, occur frequently, insects swarm all over everything, the climate is unbearable, and the place is not for sale.

Yours faithfully,
J. A.

Pet. Charles Diers is here visiting his parents Mr. and Mrs. E. H. Diers. Pet. Diers has completed his basic training in the U. S. Army at Ft. Polk, La. He will continue his training at Fort Sill, Okla.

NOW'S THE TIME TO LAYAWAY for CHRISTMAS

WHAT'S NEW

Is your family planning to build an eating counter in your kitchen for casual meals and snacks?

Before you add the counter, look at both your family and your kitchen, suggests, Mary Y. Newberry, Jones county home demonstration agent.

Can your family easily use such a facility? Eating counters at stools height are uncomfortable for preschoolers and senior citizens. If your family has either age group, consider a chair height counter which is more comfortable for all ages.

Next, how much space is required? You should allow a minimum of 21 inches in width for each person. To determine the length of a straight counter, simply multiply the number of family members by 21 inches. Remember that L-shaped counters require additional space at the turn. And allow space for people to sit at the counter with an adequate amount of room for passage behind each seated person.

Research studies indicate that a minimum of 44 inches is needed between the front edge of the counter and the nearest wall or solid object.

Are there other places for your family to dine? The number of dining areas needed depends on your family's pattern of serving family and guest meals. Most families want at least one meal each day to be a time for relaxation and conversation. Counters should be arranged so

that it is not difficult to converse with everyone present.

A 30-inch high counter generally is comfortable for a person seated in a chair of average height. Allow a depth of 20 inches for leg room. A stool height counter should be 36 inches high. And allow at least 14 inches of knee space for a stool height counter, researchers say.

Next time you go shopping to buy new fitted cotton sheets, here's a suggestion that will help you pick a long wearing style and save you money.

According to recent tests made by the American Institute of Laundering, fitted bottom sheets with elastic sewn into the corners wear longer than those fitted cotton sheets with non-elastic corners, says Mary Y. Newberry, Jones county home demonstration agent.

In the research tests, sheets with elastic corners were used and washed for 52 weeks with no repair needed. Fitted sheets with non-elastic corners had to be repaired after only 21 weeks of use. Both types of sheets were of comparable quality materials.

Mrs. Newberry explained that the fitted bottom sheets usually do not last nearly as long as flat sheets which can be rotated to distribute the wear more evenly.

Other factors to consider when shopping for sheets are the various qualities of fab-

ric included in the sheets. It may be more economical to purchase the better quality sheet at slightly higher cost than to attempt to economize on the price, the agent adds.

"Thumping or tapping" is not a satisfactory method to use when choosing melons, says Mary Y. Newberry, Jones county home demonstration agent.

It is much safer to devise a few simple external ways to test for melon ripeness. When choosing watermelons, look for deep solid green to grey color with a yellowish color on the underside. Melons that are greenish or white on the underside are usually immature.

Select a watermelon that is symmetrically shaped with dull, velvety appearance. Slick, shiny surfaced melon are a risk because they are usually overripe.

When judging sections of a cut watermelon, choose one with a bright firm texture and deep red flesh. Dry, mealy-looking flesh, or watery, stringy texture means the watermelon is either overripe or old. Seeds generally should be dark brown or black, however, there are exceptions according to varieties.

When you get tired of eating watermelon, drink it. Make watermelon punch by squeezing the juice from watermelon pulp and mix with cherry and pineapple juice. Add lemon juice if desired.

If you prefer cantaloupe, look for a light green melon with grey or yellowish cast with coarse, dry, well-defined netting over the surface. A smooth, slightly sunken stem scar means the melon was ripe when pulled. When ripe, sweet odor. The meat of a good cantaloupe has deep orange color with fine grained texture and a sweet pungent flavor.
